CLINICAL EXPERIENCE

Licensed Psychologist

February 2006 – Present

Independent Private Practice, Roseville, California.

- Function as a state-licensed Psychologist located in office within a suburb of Sacramento, CA.
- Provide individual and couples therapy to adult clients.
- Work with widely diverse client population in terms of age, ability, socioeconomic status, sexual orientation, and psychopathology.
- Work with clients who are private-pay, insurance-reimbursed, worker's compensation, county agency managed care, or Victims of Violent Crime.
- Perform cognitive and psychological assessments for adult individuals seeking disability, worker's compensation, or managed care benefits.

Licensed Psychologist

July 2004 – February 2006

Post-Doctoral Internship in Psychology

September 2002 – July 2004

Fall Creek Counseling Associates, Roseville and Carmichael, California.

- Functioned as a state-registered Psychological Assistant, then a state-licensed Psychologist, within a medium-sized group private practice located in two offices within suburbs of Sacramento, California.
- Performed similar clinical activities as described above under current position.

CLINICAL EXPERIENCE (CONTINUED)

Pre-Doctoral Internship in Psychology

August 2001 - August 2002

University of Memphis Center for Student Development (APA Approved), Memphis, Tennessee.

- Functioned as a generalist psychologist-in-training in the psychological and career counseling units within this state-run, urban, largely commuter university serving over 20,000 students.
- Worked with widely diverse student population in terms of ethnicity, age, ability, socioeconomic status, sexual orientation, and psychopathology.
- Provided intake interviews, individual and couples counseling, and crisis intervention services to university students.
- Provided career assessment and counseling services to university students and alumni.
- Co-led therapy group focusing on social inhibition.
- Conducted learning disability, ADHD, and personality assessments.
- Provided consultation and outreach services to departments and student groups on campus.
- Provided clinical supervision to pre-doctoral therapy practicum students.
- Attended staff professional development and training activities.
- Participated in training projects in academic advising unit and student peer tutoring unit.

Advanced Therapy Practicum

July 2000 - June 2001

Claret Center, Chicago, Illinois.

- Within group practice associated with Claretian Order of Roman Catholic priests, performed duties of parish counselor at two Roman Catholic parishes in a suburb of Chicago.
- Provided individual and couples therapy to an outpatient population of low to medium socioeconomic status white, Latino, and African-American adults.
- Obtained clients through entrepreneurial marketing efforts within the community.

Therapy Practicum

August 1999 - July 2000

Chicago Counseling and Psychotherapy Center, Chicago, Illinois.

- Within group practice, worked in two offices, one located in downtown Chicago and the other in a predominantly African-American neighborhood.
- Provided individual therapy to outpatient population of low to medium socioeconomic status white, African-American, Latino, and Asian-American adults.
- Provided couples therapy, play therapy with children, and pre-therapy with an adult client unable to speak since birth due to brain damage and intellectual deficiency.
- Performed brief telephone intake interviews and other administrative tasks.
- Received training on couples therapy, play therapy, gifted clients, transgendered clients, and other aspects of humanistic therapy and theory.

CLINICAL EXPERIENCE (CONTINUED)

Psychodiagnostic Practicum

September 1998 - June 1999

John J. Madden Mental Health Center. Hines, Illinois.

- Within state mental hospital, performed diagnostic assessments with inpatient population of low socioeconomic status African-American and white adults with chronic mental illness.
- Administered clinical interviews and assessment instruments, including WAIS-III, MMPI-2, Rorschach, TAT, Bender Gestalt, WRAT, and projective drawings.
- Participated within a multidisciplinary team to develop treatment plans.
- Participated in group therapy and unit community meetings, and provided individual and milieu therapy with selected patients.
- Received in-service training on Dialectical Behavioral Therapy and treatment of Mentally Ill Substance Abuser patients, and attended weekly grand rounds at Loyola University Medical Center's Department of Psychiatry.
